GENERAL INFORMATION

It is the student's responsibility to review their degree for accuracy and track their progress toward meeting all degree requirements.

The curriculum charts in this handbook outline the general education, group (SCI, SSC, and A&L), and professional course requirements. These charts are examples and should not be viewed as definitive guides.

The general group requirements are monitored by the Office of the Registrar. Each student can access a progress report, called a degree audit, on DuckWeb.

The general requirements are intended to ensure each student receives an education rich in the liberal arts tradition.

REQUIRED GRADED CREDITS

The University of Oregon requires that all undergraduate students complete a minimum of 168 credits taken with a letter-grade option or as P* (P* = courses offered only Pass/No Pass). The University of Oregon requires a minimum 45 credits taken for a letter grade, which must be completed in residence.

RESIDENCE REQUIREMENTS

Undergraduate students are typically in residence for 4 years. A Bachelor of Art student may enter the program with transfer credits from another accredited undergraduate degree program. Transfer students must complete the minimum residence requirements.

CORE EDUCATION REQUIREMENTS

English Composition - 8 credits

Two courses in English composition. Most students take WR 121 and WR 122 or 123. You may also take a waiver exam or challenge these courses. If you received advanced placement credits, they are generally listed on the admission statement.

Areas of Inquiry Requirement - 45 credits

Art history students must complete a minimum of 15 credits in each of the three groups:

- Arts & Letters (A&L and >1) *Note: Some art history courses for the Art History major may work to fulfill most requirements for this group.*
- Social Sciences (SSC and >2)
- Sciences (SC and >3)

Rule A - Each group must include courses in at least two subjects.

Rule B - No more than three courses with the same subject code may be used to fulfill the total 45-credit requirement.

Certain areas of inquiry-satisfying courses may also fulfill additional core requirements such as the multicultural and upper division requirements.

Cultural Literacy Requirement - 8 credits

All students must complete at least one course in each of the following areas:

- *US: Difference, Inequality, Agency (>US)*
- *Global Perspectives (>GP)*

Upper Division General Elective Requirement - 26 credits

University of Oregon students are required to complete 62 credits at the 300-400 level throughout their time here. A minimum of 36 of these credits will be fulfilled by successful completion of the Art history major, leaving 26 elective credits of your choice. Upper Division electives may be in any subject, including additional art history courses.

Bachelor of Art Requirement - up to 2 years

Bachelor of Art students are required to gain proficiency in a single foreign language at the level attained by two years of university-level work, such as successful completion of a language 203 course. Courses used to satisfy the foreign language requirement for the BA degree may not also be used to fulfill the Arts and Letters (A&L) area requirement.
